Covid-19 Equity-based Crowd-funding Scheme

Amendment of Crowd-funding Regulations in Favor of Covid-19-Stricken Business Sectors

Based on this recent amendment, donators have two options:

- 1- Donate the principal or,
- 2-Donate the proceeds. The receipt of donations is identified as tradeable securities with the ticker symbols of Corona 1 and 2. The face value of these securities is 10,000 IR, with a minimum purchase of 10,000 IR and an infinite maximum purchase.
