

**Securities Commission Malaysia – World Bank – IOSCO  
Asia Pacific Hub Conference 2018**

**HARNESSING ISLAMIC FINANCE FOR A GREEN  
FUTURE**

Date : **14 May** (9.00am – 5.45pm) & **15 May 2018** (9.00am-2.30pm)  
Venue : Conference Hall, Securities Commission Malaysia, Bukit Kiara

Join the experts in a discussion that deliberate global trends, issues and opportunities in Islamic finance ecosystem to support climate mitigation and adaptation efforts, including the use of innovative Islamic finance instruments for climate friendly projects.

Topics to be discussed, among others, include:

- The enabling environment for Islamic green finance: developing guidelines & standards
- Opportunities and challenges in developing a successful green sukuk programme
- Case studies on green sukuk
- Role of institutional investors in Islamic green finance
- Prospects of Islamic green finance
